Booneville Receives Save Routes to School Grant

Governor Steve Beshear today announced funding for a project in Booneville to encourage and enable children to safely walk or ride bicycles to school.

The \$250,000 Safe Routes to School grant will be used to construct new sidewalks along KY 28 and Amburgey Road, completing a pedestrian system to and from Owsley Elementary School.

The project will construct new sidewalks along Amburgey Road extending south to Riverside Apartments and supporting Owsley County Elementary School. The project will also include an entrance to the Owsley

County Health Center. Sidewalks and curbing will also be constructed along the elementary school parking lot.

Safe Routes To School is a federally funded reimbursement program administered by the Office of Local Programs in the Kentucky Transportation Cabinet's Department of Rural and Municipal Aid.

"This project will afford children and their families a better opportunity to walk or ride bikes, which can go a long way toward developing the good habits of an active, healthy lifestyle," Gov. Beshear said.

Today, less than

15 percent of children walk or bicycle to school. The sharp decline in walking and bicycling has had a negative impact on traffic congestion, air quality and student safety around schools. "Safe Routes" addresses these concerns and provides resources to establish a program in your community.

"The people of Booneville will benefit greatly from this project, especially our Owsley Elementary students who walk to school," said Senate President Robert Stivers, of Manchester.

"The new infrastructure

Kimberly McIntosh and Owen Minter of Owsley County have been Named 2015 Rogers Explorers

One hundred and eighty students—the largest class ever—will converge on the campuses of six Kentucky colleges and universities this summer for the Rogers Explorers program.

"Rogers Explorers gives students a one-of-a-kind learning experience to explore different career opportunities and possible career paths in the fields of math, science, and technology," said Delaney Stephens, community liaison and youth programs coordinator for The Center. "The program also encourages creative thinking and teamwork and builds leadership skills as the region's next generation of leaders and entrepreneurs."

Rogers Explorers is presented by The Center for Rural Development in partnership with

Middle school students Kimberly McIntosh and Owen Minter of Booneville have been selected to attend The Center for Rural Development's 2015 Rogers Explorers youth leadership program.

Kimberly, a student at Owsley County Middle School, and Owen, a student at Lee County Middle School, will join middle school students from across Southern and Eastern Kentucky to build their math, science, and technology skills.

University of Kentucky students offer tutoring throughout the summer

The UK Tomorrow Corps, a new program being launched by the University of Kentucky Appalachian Center this summer, provides summer employment and professional support for UK students tutoring K-12 students in math and literacy skills, in partnership with local libraries, public schools, and community organizations. The initiative is intended to help young residents of Appalachia gain and retain skills through the summer and work toward their long-term educational goals. In keeping with the land grant

mission of the University of Kentucky "promoting diversity, inclusion, economic development, and human well-being" in the Commonwealth, the UK Appalachian Center will draw on the skills of students from across the

Young Sentenced in Owsley Circuit

Monday in Owsley County Circuit Court Robbie Young, 38 of Booneville, KY was sentenced to 8 years by Judge Michael Dean.

On July 9, 2014 Young was arrested by the Chief Ivan Fletcher of the Owsley County Sheriff's Office and charged with 2 counts of Manufacturing Methamphetamine, 1st offense; Cultivation of Marijuana, 5 or more plants - 1st offense.; Drug Paraphernalia- Buy/Possess; Possession of a Controlled Substance, 3rd Degree - Drug Unspecified; Persistent Felony

Offender - First Degree.

On the recommendation of the Commonwealth Attorney, the first Count was amended and Young was sentenced to 4 years; Count 2; Young was sentenced to 4 years to run consecutively for a total of 8 years. Count 3 - 2 years; Count 4 - 12 months; Count 5 - 12 months to run concurrently.

Young's attorney ask the court to consider another alternative, to allow Young to seek help with his drug addiction in a facility and seek counselling which neither he had ever had. Young had written a letter to the judge and submitted it. The judge stated that he could get treatment while incarcerated and withheld the recommendation of the commonwealth.

Owsley County Extension Service Hosts Summer Intern

For several weeks this summer, the Owsley County Extension Service will host an intern, Olivia Bryant, a senior Dietetics student at Eastern Kentucky University and 2014 Owsley County High School graduate. The Extension Summer Intern Program allows college students to work in a professional role in one

of the statewide County Extension Offices during the summer. By working closely with County Extension Agents, members of the community and school systems, students learn all about the UK Cooperative Extension Service and if it would be a possible career interest upon graduation. While working this summer, Olivia will attend 4-H Camp with students and engage in multiple Family & Consumer Science events and 4-H programming. Olivia will also spend part of her summer at the Breathitt County Extension Service. We are so excited to have Olivia join us this summer as we present

\$200 Reward

For the return of my high school class ring: silver with a dark blue stone. Has Frontier Central High School, year 1973 on it. Has engraved on the inside G.L.K. Please bring to my home or have someone else bring it to 1193 Leger Fork Road Tyner, KY or put it in my post office box 134 Tyner and leave a note to where I can send you the reward. You can call me at 364-7286 and talk to me. Ask for Gloria or Donnie Wayne only. I can pick up the ring also and give you the reward.

If you have it or innocently bought it from someone else, no questions will be asked and no charges will be made. I'm a raised catholic and christian now. It's of sentimental value to me, was bought by my parents that are deceased now. If you know where it is and if I can get it back, you will still get the reward. It has been missing since April. If you call and there is no answer, leave a message on the phone.

Thanks,
Gloria & Donnie Wayne Coffey.

WHY AM I HERE?

There is a question all of us start asking ourselves around the age of twelve and many people never come up with an answer. That question is, “Why am I here?”

For many people,

God is not part of their lives, or at best, an after-thought. Living in this manner makes knowing your purpose impossible.

God is the Creator and being the Creator, He has a purpose for His creation. Therefore, since we are all created beings,

SAG HOLLOW NEWS

by

Deron Mays

* 31 golfers showed up Saturday, May 30th for the annual Daniel Boone Days fund raising scramble at Sag Hollow. The golfers were divided into 8 teams in an A-B-C-D format. When the final scores were posted the team that finished 1st with a -16 score was Robert Smith, Justin Lakes, Noah Noble, and Brittany Price. Close on their heels with a score of -15 was the team of Randy Osborne, Mike Mays, and Josh Broadwell. Finishing 3rd with a score of -13 was the team of Tony Sizemore, Kendall Robinson, Ira Parks, and Eddie Botner. Cash prizes were awarded to the top 3 teams. In addition, prizes were handed out for various contest during the scramble. Linda Combs won for

the longest drive on number 2, Jason Hollon won closest to the pin with his second shot on number 5, Jamie Ward won for having the longest putt on number 4, Dale Bishop won for having the closest ball to a white line spray painted down the center of the 1st fairway, Mike Lynch won the closest to the pin on number 6, Cody Pennington won closest to the pin with his second shot on number 7, and Darin Gay won for the longest putt made on the 8th green. Each individual winner was awarded a \$50 gift certificate.

Another entertaining competition was the chance of winning a free membership to Sag Hollow. The 10 closest golf balls to the pin on the par 3 number 3 hole each had an opportunity

after the scramble was completed to hit a shot from the 100 yard marker on the number 2 green to see who get the closest. When the shootout was over and the smoke had cleared the winner with a shot within 10 feet of the cup was Jack McWhorter of Campton. Congratulations to all the winners and also to the sponsors and everyone who participated to make the scramble a success.

* Greg Kemper won the Tuesday league play for May 26th with a -2 score from his handicap. Tim Pennington and Jack Strong teamed up to win the doubles portion of the league with a score of -1. Derek Begley won the \$10 gift certificate for having the closest to the pin on number 3, and Cody Pennington

was winner for the closest on number 6. Closest to the pin for this week was sponsored by Begley's Auto Parts of Beattyville and Show-time Pizza of Jackson.

* Robert Smith was the lone winner Thursday in the Skins game. Robert birdied number 5 for his win. Eric Mason had closest to the pin on number 3 and Gary Bowling was closest on number 6. Each won a \$10 gift certificate.

* Upcoming events at Sag Hollow: June 6--Jackson County High Girls Golf team Scramble June 12-14--Sag Hollow Golf Club Invitational Tournament June 22-25-- Youth Camp June 27--Hospice Care Scramble

Winners of the Daniel Boone Days Scramble: L to Ri: Justin Lakes, Noah Noble, Brittany Price and Robert Smith.

we all have a purpose.

A carpenter makes three chairs. He has a plan for each chair. All three chairs have a general purpose, to sit in and provide some comfort. Each chair also has an individual particular purpose. Chair number one will have a price tag placed on it and placed on the showroom floor. The specific aim of this chair is to make a profit. The second chair is a gift to the carpenter's mother. Chair number two is created to satisfy the needs of a particular person. The Carpenter plans to take the last chair home and enjoy it himself. The purpose of chair number three is to be useful for its maker. Humans are just like these chairs, we all share a general purpose(s) and we each have a particular purpose in the eyes of our Maker.

When it comes to God's general purpose for mankind, I've heard people say, “The purpose of humanity is to give glory to God.” Frankly, I don't quite understand what that means. If a person stands on street corner and yells, “To God be the glory!” at the top of his lungs has he fulfilled his purpose in

life?

God created the human race perfect but soon after we became defective; Adam sinned (Genesis 1-3). God, knowing what would occur had a plan. God would send His Only Begotten Son to this world to shed His blood as the sacrifice for our sins (John 3:16; Isaiah 53:4-5; Galatians 3:13; Hebrews 9:28; 1 Peter 1:18-19; Titus 2:14; Revelation 1:5).

The blood of God's Son fixes the brokenness of God's creation. “And you hath he quickened, who were dead in trespasses and sins; wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience: Among whom also we all had our conversation in times past in the lusts of our flesh, fulfilling the desires of the flesh and of the mind; and were by nature the children of wrath, even as others. But God, who is rich in mercy, for his great love wherewith he loved us, Even when we were dead in sins, hath quickened us together

with Christ, (by grace ye are saved;) And hath raised us up together, and made us sit together in heavenly places in Christ Jesus: That in the ages to come he might shew the exceeding riches of his grace in his kindness toward us through Christ Jesus. For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast” (Ephesians 2:1-9).

The problem with God's creation is not God. The problem is that most of mankind has not allowed God to fix them. This situation can be compared to when a car manufacturer has a recall. There is a problem that can be fixed if the owner brings the vehicle to the dealership. There is a problem with us (sin) and our Maker has provided a fix (the blood shed by His Son). All we have to do is come in and have the problem fixed (place our faith in Christ). If we do not act on the letter sent to us by the car company, our car remains defective.

Until your problem is fixed, by placing faith in Christ, it is

impossible to fulfill the purpose the Creator has for you. In describing our condition before salvation God uses words like, “aliens,” “strangers,” “having no hope,” and “without God” (Ephesians 2:12).

Once we receive salvation through faith, we can know and accomplish what God has planned for us and have a life of meaning (Ephesians 2:8-10).

God does have an end game and expectations for you in His grand plan. “For surely there is an end; and thine expectation shall not be cut off” (Proverbs 23:18).

“Why am I here?” You'll never be able to answer that question correctly without answering God's recall letter and accepting His Son by faith.

will add to the quality of this growing community and increase opportunities to enjoy the outdoors.”

“I’m really pleased to see this project move forward and was honored to work with our local officials and the state’s Transportation Cabinet to make this possible,” said Rep. Cluster Howard, of Jackson. “These sidewalks

will make it safer for those walking or biking in the area, especially students, while increasing opportunities for exercise and reducing traffic congestion. It’s a win-win for everyone involved.”

Under the Safe Routes program, cities and counties can apply for funding for a broad range of projects and activities in close proxim-

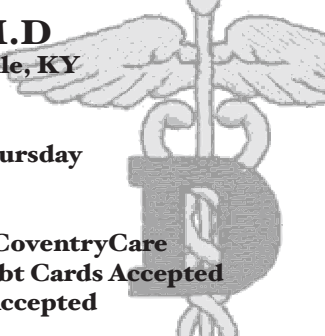

ity to elementary and middle schools. Eligible projects and activities include new or improved sidewalks, crosswalks and bike lanes, public awareness campaigns, and traffic enforcement near schools. As much as \$250,000 can be awarded to a single project.

Promoting physical activity is part of Gov. Beshear’s efforts to improve the health of all Kentuckians. The Governor launched kyhealthnow last year as an aggressive and wide-ranging initiative to reduce incidents and deaths from Kentucky’s dismal health rankings and habits. It builds on Kentucky’s successful implementation of health care reform and uses multiple strategies, including the increase of physical activity and obesity prevention, over the next several years to improve the state’s collective health.

University of Kentucky students offer tutoring throughout the summer

(continued from page 1)

will draw on the skills of students from across the University to partner with communities in the 54 Appalachian counties of Kentucky to support the well-being of children, who are the region’s future.

The UK Tomorrow Corps is offering free, one on one, literacy and language arts tutoring this summer for any student enrolled in Kindergarten through 12th grades in Owsley County. Tutors will be on hand to

support K-12 literacy and language arts. These tutoring sessions are free of charge and will take place at the Owsley County Library. Any interested student is invited to participate. Tutoring will start on June 1st and run throughout the summer.

To sign up for individual sessions contact the Owsley County Public Library at 606.593.5700. Be prepared to let the library staff know the name of the student, their

school, grade level and any specific content you would like the tutor to focus on. There is a rolling registration process. Please register at least one week in advance, no walk ins please.

Any questions about the program can be directed to Shane Barton, Assistant Director of the University of Kentucky Appalachian Center, by email at shane.barton@uky.edu or by calling 859.257.3948.

Manchester Memorial Hospital Workforce Recognized for Employee Engagement Excellence

Adventist Health System, which includes Manchester Memorial Hospital, named a Gallup Great Workplace Award winner for fifth year in a row.

Adventist Health System, which includes Manchester Memorial Hospital (MMH) is honored to receive the 2015 Gallup Great Workplace Award. The award recognizes organizations for their ability to create an engaged workplace culture that drives business outcomes. This is the fifth consecutive year that Adventist Health System

and all of its hospital campuses, including MMH has received the Gallup Great Workplace Award.

“We are proud to share in this recognition with all of Adventist Health System’s employees. Employee engagement is a top priority at MMH because we understand that engaged employees offer a better patient experience and

contribute to improved health care delivery,” said Erika Skula, President and CEO of MMH.

The Gallup organization compares companies across a workplace research database comprised of work teams in more than 100 countries. This year Gallup honored 40 organizations, including Adventist Health System, with the Gallup

Whoo Gives a Hoot? Beautification Project!

Winners of Week #1

The winners of the Whoo Gives a Hoot? Beautification Project for this week is... the Owsley County Extension Homemakers. Check out their three beautifully landscaped flowerbeds

located on the walking trail at the Owsley County Park. Special thanks to Sandy Hamilton, Maria Edwards and Olivia Bryant for working on these beds. A very special thanks to Maria Edwards

for donating beautiful plants to our project. Special thanks to the Owsley County Fiscal Court for assisting us with the mulch.

Also pictured below are 2 areas that have been previously landscaped that need some tender loving care. These areas are located at the Owsley County Park along the walking trail and in the park as well. Please let me know if you are interested in maintaining one of these

areas. Students need community service hours more now than ever for scholarship opportunities. This is a great opportunity for some work. Does your adult group need some volunteer hours? Or do you just have that sense of community spirit and pride and want to help? Please contact

me at nlucas@uky.edu or (606)593-5109 if you wish to participate. I am so excited to see how many areas that we as a community can beautify this summer. Signage will be placed on the landscaped areas with your organization or groups name on the sign.

This summer I am having the opportunity of going to Bucharest, Romania for mission work. The work that we will be doing will consist of helping street kids with educational responsibilities, as well as helping them with any other needs. I made the choice to go on this trip because it is a once in a lifetime opportunity for someone my age. But doing so, this trip is very costly for me. So I am open for any donations of even just buying a tree dollar meal. I promise you I will do everything I can to make these children's lives better than what they are. So each Thursday I am going to be doing \$3.00 meals. The meal will consist of a main course, a side and a dessert. Left is the list if meals that will be prepared. Thank you in advance for helping me get to go on this trip.

Third Graders at OCES have PRIDE!

Third grade students at Owsley County Elementary School joined together last Friday to show PRIDE at their school by having a campus clean-up. The conservation district provided bags and gloves

and students learned about the importance of keeping their county clean and how to do it safely. Special thanks to Ms. Wendy Patrick for being PRIDE Club sponsor at OCES again this year and to all three

3rd grade teachers for allowing their students to participate!

Pictured are third grade teachers and students at OCHS who showed PRIDE at their school by picking up trash on their campus.

Great Workplace Award. In these organizations, on average 64 percent of employees are emotionally invested in and focused on creating value for their organizations every day, compared to the worldwide average of 13 percent.

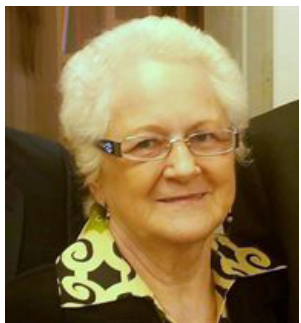

“The world’s top-performing organizations help lead the global economy by engaging

their workforces,” said Jim Harter, Ph.D., Gallup’s chief scientist of workplace management and well-being. “Gallup’s Great Workplace Award winners understand and acknowledge the importance of employee engagement by making it a vital part of their organization while using it as a driving force to create real business outcomes.”

This year’s physical award will be presented during Gallup’s Spring Summit in Omaha, Nebraska, June 2-4, 2015. The summit brings together all Great Workplace Award winners, including Adventist Health System, to share best practices for creating and sustaining an engaged workforce.
